Hi and welcome to G.O.S.P.Y.A News,

Since we spoke to you last many things have happened to G.O.S.P.Y.A. We now have a new committee working for G.O.S.P.Y.A filled with new faces and some familiar ones as well !

This update is to introduce the new committee and wish you a very Happy Easter. Our next newsletter is coming soon with information about our up and coming events !!!

FELLOWSHIP REPORT.

Leah Kypriadakis and
Afroula Inglis.

Fellowship went out with a bang for the Fellowship Sub-committee of 1990-91, with over 90 people attending our last Mega TRIVIA NIGHT on the 1st of March. Everyone enjoyed themselves as we had a variety of questions coming up throughout the night, and thanks to the help of Con Penklis, our host for the evening, everything ran through pretty smoothly.

Thank you to all those who attended, and we hope your support continues with our other Trivia Nights and other 'up and coming' events throughout the year.

Fellowship has already got itself off the ground, with its first meeting on the 15th of March. The "Heretismi" was still on at that stage, so it didn't start until a little after 8 o' clock.

We started discussing what sort of things we expect to achieve from the coming year ahead, and came up with trying to get a balance between the religious and social aspects of being an Orthodox Christian in today's society.

So what we thought we'd try and do is incorporate little 'outings' after and in between our fortnightly meetings.

As soon as our sub-committee gets together to discuss our future plans, we'll inform you about it in our next newsletter.

, and we'll hopefully be seeing you at Fellowship after Easter. The next meeting is on the 12th of April at 7.30 p.m.

On behalf of Fellowship and G.O.S.P.Y.A, I would like to wish you all a very Happy, Holy and Safe Easter.

G.O.S.P.Y.A President 's Report .

It is with great pleasure that I write this, my first report as President of G.O.S.P.Y.A. My name is Patra Ganis and I am very honoured to obtain this position. For the past two years I have been involved in the G.O.S.P.Y.A committee, as Secretary under the most capable guidance of our previous President, Yvonne Cayas. I would like to take this opportunity to thank and commend Yvonne for all of her hard work and dedication throughout her two-year term as President. Through her efforts and that of her committees' G.O.S.P.Y.A has achieved a great deal, in that time. I would also like to thank all the committee members whom I have been fortunate to work with for their teamwork and most importantly, their friendship. I hope I may be able to continue the high standard which has been set by Yvonne.

Once again, G.O.S.P.Y.A is fortunate to gain another committee which is keen to see the continued success of our association. By knowing these people, it is evident that each and every one of them has much to give to G.O.S.P.Y.A. Their talents and abilities shall become great assets for our youth group, and I look forward to working with them throughout this coming year. A full list of their names has been included in this newsletter.

At this stage it has already been set that we will endeavour to provide a variety of functions for our members. We aspire to catering for the varying tastes and age groups of these members. Of course, we intend to maintain G.O.S.P.Y.A 's most popular and successful events, such as, Trivia Nights, Fashion Parade, the Annual Debutante Ball and our many sporting activities; but, we also intend to supplement these with other types of functions to cater for all GOSPYANS.

However, at this point of my report I would like to encourage all G.O.S.P.Y.A members to attend the G.O.S.P Easter Dance on Sunday April 7, at our Hall. I would also urge our members to come along to the church services during this very special time.

I would also like to take this opportunity to wish you and your families a very happy and healthy Easter, and we hope to see you at our forthcoming functions.

Kalo Paska !
Patra Ganis.

SPORT REPORT

PETER DELIBALTAS & JENNY SCLAVOS

Its been a while since I've written a Sports Report so its probably about time to fill you in on all that has been happening lately. With summer here and the holidays around the corner, the spectator and player involvement in sport is on the increase.

Below are the updates for the GOSPYA sports currently on the move.

NETBALL: The girls from GOSPYA are still playing netball on a Monday night. I have been advised that things are going well for the girls, as they are performing quite well in the competition. As you all may or may not remember the girls had won all the games in the last regular season, only to be knocked out in the semi-finals. The girls haven't repeated their effort of last season to date, but they do have a good record which they intend to build on. Jenny Sclavos, who happens to be co-sports chairman, should be contacted for any further information on game venue and times for interested spectators.

BASKETBALL: GOSPYA has two teams playing at present, one at Auchenflower on Sunday nights and one at Carina Basketball Stadium on Tuesday nights. Most people are interested in the Sunday competition, in which varied support has been received. The team has won four of its five games this season, and are determined to win the elusive premiership this time round. Support would be appreciated and a draw appears somewhere in this newsletter. Since the holidays are here anyone interested in seeing a Tuesday night game should contact me (Peter Delibaltas). The Brisbane Bullets may have missed out this time around but GOSPYA certainly won't be.

TENNIS TOURNAMENT: A joint GOSPYA and APYGON Tennis Tournament was held this earlier this year. This annual event was heralded as a great success. A full report appears in this newsletter.

VOLLEYBALL: This is becoming the die hard sporting event in GOSPYA's history. A merry band of social butterflies still find time to smack a little white ball around the hall at Mansfield High School. However, with the holidays here an explosion of players will once again occur. Start time is approximately 7:00 to 7:30 and all are welcome. Hope to see you there!

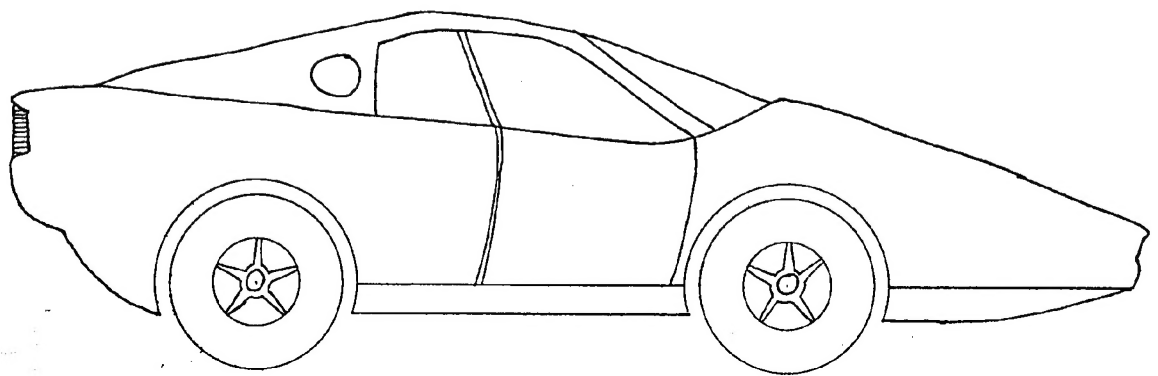

TOUCH FOOTBALL: After a little hassle the touch football has commenced with a rather mixed reaction. GOSPYA has this year entered a team in the GOYA Touch Football Competition, with mixed success to date.

George Semos, has put together the team and also helped it along with some of his own sponsorship. The team has not got a fantastic record, but they are doing well considering the odds they are playing against. For more information regarding game times and venue contact Peter Delibaltas or George Semos.

That's all the sports news I have to date. I ask that you support our teams where possible as they do represent GOSPYA in the sporting arena. Finally, I wish you and your family a safe and happy Christmas and a prosperous New Year.
